

Zambia's Best Parks

Lower Zambezi – South Luangwa National Parks

Day 1: Lusaka:

After arrival in Lusaka transfer to a small lodge in the outskirts of town. Dinner in a restaurant (-/-/-).

Days 2, 3 and 4: Lower Zambezi National Park:

After breakfast we drive through Lusaka and down the escarpment to the Zambezi valley. A visit to the Lower Zambezi Park is one of the highlights in Zambia.

The Zambezi River on the one side and the Escarpment on the other form the backdrop of our game viewing. We do game drives in the park and boating along the river shore to watch the animals come to drink. On one of these days, we will do a sunset boat cruise on the Zambezi.

We stay in spacious safari tents at Kasaka River Lodge on the banks of the Zambezi River (3x FB)

Day 5: Flight to Mfuwe – South Luangwa NP:

In the morning transfer to Royal Airstrip and flight to Mfuwe airport. Transfer to our lodge on the banks of the Luangwa River. No activities are included for this afternoon. Overnight in chalets at Wildlife Camp or safari tents at Msandile Lodge. (F/-/A).

Days 6, 7 and 8: South Luangwa Park

South Luangwa NP is known for its abundance of African wildlife: Thorneycroft's giraffe, Cookson's Gnu, Crawshay Zebra and big herds of buffalo and elephant.

Game drives along the Luangwa River often produce spectacular sightings. Hippo families

can be seen in great numbers in the river, unparalleled in Africa.

During the dry season (July to October), many side channels of the river dry up, leaving the fish trapped. This attracts many different species of predators, such as the African fish eagle, jackal and hyenas.

The colourful Carmine bee-eaters are often seen perching in front of their nests in the riverbanks. You will explore the area on game drives (also night game drives, 2 activities per day). These activities are shared with other guests of the referring lodge.

Overnight in chalets at Wildlife Camp or safari tents at Msandile Lodge. (3x FB).
